The Payeezy℠ eCommerce Solution
# It pays to dream big.

# Introducing the Payeezy℠ eCommerce Solution

Growing your business means continually reaching new customers in new ways. The same goes for payment options. And whether it's online, in-store or with a mobile device, the Payeezy℠ eCommerce Solution is the simplest way to accept payments and grow sales online. Payeezy helps you create a seamless customer experience on your website by offering more payment options, impressive security features and easier integration. So, no matter how commerce trends evolve, Payeezy can help you keep pace with changing technology and grow your business to its full potential.

### Reach more customers everywhere.

The Payeezy eCommerce Solution gives you global sales reach. Which means you can expand your horizons and your customer base, no matter where they are.

# Go on. Shake things up.

Payeezy℠ is the dynamic eCommerce solution you've been waiting for. It goes beyond accepting payments, giving you easy access to everything you need to establish or improve your business' online presence. Payeezy empowers you to think bigger, work smarter and shake up today's ever-changing marketplace.

## Let customers pay as they please.

The Payeezy eCommerce Solution lets you accept more payment types than any provider. Customers can pay with any card, PayPal account, or electronic checks—all in their native currencies.

## Sell with simplicity.

Payeezy eliminates the need for multiple service providers, making it easier for you to run your business.

## Keep your business safe and your customers safer.

Payeezy offers the latest proven data protection technology available to keep payments, customer information and your bottom line, safe and sound.

## Evolve at the speed of eCommerce.

From tablets to mobile devices, buying habits are always changing. Payeezy is built to grow with your business, including mobile shopping for your customers.

# Everything but the bow on top.

The Payeezy℠ eCommerce Solution helps businesses like yours create a smart and simple online store that opens new avenues for growth. And behind the scenes, every tool and technology is working together to help your online store succeed. With easy setup, global payments, mobile-ready checkout and comprehensive security, Payeezy is the whole neatly wrapped package.

## Ready right out of the box.
The Payeezy eCommerce Solution comes with a variety of checkout solutions, a merchant account, state-of-the-art security and robust support from real people.

## Checkout with choices.
Payeezy is already integrated with 70+ shopping carts. Just choose one and our simple set-up process will have your customers shopping your online store in no time.

## Enjoy fast payments.
With Payeezy, you enjoy fast and reliable funding, helping to improve your overall cash flow.

## See what's working.
Track what's selling and what isn't with intuitive reporting from Payeezy. Gain real-time access to transaction information to capture insights about incoming orders, customer payments and more.
